Dear Parents/carers,

I am very sorry to inform you of the news of the passing of Mrs Dorothy Adderley who worked at Sundridge.

I remember well the significant part that Mrs Adderley played in our school. Both she and I worked in the old buildings where she was based in the kitchen doing sterling work in feeding the whole school for many years.

In more recent years, she, along with Mrs Carole Lawton, generously gave up their time to support the children with knitting and sewing clubs at lunchtime. This was very popular with the children and some of the items made at this time are still treasured in school today. Mrs Adderley was full of ideas for the next project to involve the children in and was tireless in finding the right materials to make the finished project special.

The costumes she made are still in school today and are used for the Nativity plays and other school performances. Her legacy in school lives on.

It was very kind of her family to think of the school with regards a collection. We are honoured to receive the family's bequest in Mrs Adderley's name. She made such a contribution at Sundridge over many years.

We have bought a bird table and memorial bench with the bequest and will be inviting Mrs Adderley's family into school to see them in place in the playground.

All of the children will be given a small packet of bird seed to scatter in their gardens in memory of Mrs Adderley.

From
Mrs Brudenell
