

Educational Programme:

Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them - from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children’s vocabulary will support later reading comprehension.

Geographical - Knowledge and Skills			
	Objectives	Vocabulary	Pedagogical Considerations
Expectations from Nursery	<p><u>Geographical Skills and Fieldwork</u></p> <p>Skills:</p> <ul style="list-style-type: none"> . To engage in discussions about where things are and what they can see around them . To give simple directions in a familiar setting. <p>Knowledge:</p> <ul style="list-style-type: none"> . To know the purpose of a map. . To know that a map is about a place. 	<p>House, flat, caravan, place, shop, school, nursery, classroom, inside, outside, seasons, spring, summer, autumn, winter</p> <p>Positional and Directional Language:</p>	<p>Supplying children with a good range of texts (fiction, non-fiction and maps) that encourage discussion and use of vocabulary.</p> <ul style="list-style-type: none"> . Take part in themed walks around the indoor and outdoor environment

Progression Map: The World

	<p>. To know that directions can be followed and lead to different places.</p> <p><u>Locational Knowledge</u></p> <p>Skills:</p> <p>. To draw a picture of a place that is familiar to them such as their bedroom, classroom or outdoor area and being able to talk about key features.</p> <p>. To be able to talk about familiar places to them outside of home or school eg. Nanny's house, ASDA etc.</p> <p>Knowledge:</p> <p>. To know what type of home they live in.</p> <p><u>Human and Physical Geography</u></p> <p>Knowledge:</p> <p>. To know that weather changes according to the seasons.</p> <p>. To know that we need to dress accordingly to keep ourselves safe.</p>	<p>On, in, on top of, under, next to, in front of, behind, beside, between,</p>	<p>looking for specific features.</p> <p>. Finding and labelling different features in the indoor and outdoor environment.</p> <p>. To draw a picture/talk about parts of their home or school environment.</p> <p>. Hide an object somewhere in the environment and use clues to find it.</p> <p>Encourage the use of key vocabulary.</p> <ul style="list-style-type: none"> . To go outside and observe the weather.
	<p>Objectives</p>	<p>Vocabulary</p>	<p>Pedagogical Considerations</p>

Progression Map: The World

<p>Reception</p>	<p><u>Locational Knowledge</u> Skills:</p> <ul style="list-style-type: none">. To name and describe landmarks or places that are familiar to them in their local area. <p>Knowledge:</p> <ul style="list-style-type: none">. To know the country that they live in.. To know that more than one house is a village or town.. To know and be able to discuss where they live in relation to their house number, road/street, town etc.. To know that every house has an address. <p><u>Place Knowledge</u> Skills:</p> <ul style="list-style-type: none">. To listen and engage in discussions around stories about different countries and cultures.. To discuss similarities and differences between life in this country and life in another country using stories, non-fiction texts and - when appropriate - maps. <p>Knowledge:</p> <ul style="list-style-type: none">. To know that not all countries are the same.	<p>Road, street, address, shop, school, hospital, town, map, key, country, weather, seasons, spring, summer, autumn, winter.</p> <p>Left, right, up, down, near, far,</p>	<p>Look at the children's local area using Google Maps or Google Earth to identify local features.</p> <ul style="list-style-type: none">. Create a map of a familiar location such as their classroom or bedroom.. Draw pictures of the children's homes including specific features such as house number, chimney, roof, windows, front garden etc.. Using construction materials to build 3-d models that represent local features in their community.. Supplying children with a good range of texts (fiction, non-
------------------	---	---	--

	<p>Human and Physical Geography Knowledge:</p> <ul style="list-style-type: none"> . To know weather changes according to the seasons and where we are in the world. 		<p>fiction and maps) that encourage discussion and use of vocabulary.</p>
	Objectives		
End of EYFS	<ul style="list-style-type: none"> . Describe their immediate environment using knowledge from observation, stories, non-fiction texts and maps. . Know some similarities between different religious and cultural communities in this country, drawing on their experiences and what has been read in class. . Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and - when appropriate - maps. 		
	Objectives		
Year 1 Expectation	<ul style="list-style-type: none"> . Name and locate the four countries and four capital cities of the United Kingdom. . Understand geographical similarities and differences between human and physical geography in a local area. . Identify seasonal and daily weather patterns in the United Kingdom. . To use simple maps and globes. . To use simple compass directions (north, south, east and west). . To use locational and directional language (left, right, near and far). . Describe location and features of a local map. . To use simple field skills and observation . To devise simple maps that mark human and physical features. . Geographical vocabulary: <ul style="list-style-type: none"> - Physical features - beach, forest, hill, sea, season, weather, vegetation. 		

Basic geographical for human features - city, town, village, factory, farm, house, shop.
--

Historical - Knowledge and Skills			
	• Objectives	Vocabulary	Pedagogical Considerations
Expectations from Nursery	<p>Family</p> <ul style="list-style-type: none"> • Skills • To be able to briefly talk about some members of their family. • To sequence family members by size and name. • Knowledge • To know who they are and who they live with <p>Time</p> <ul style="list-style-type: none"> • Skills • Begin to sequence of events, real or fictional using words such as 'first, then. • Knowledge • To know the times of the day, go in order and repeat every day. E.g., morning is before lunch. • To know before and after as a concept. 	<p>Now, grandad, nan, dad, mum, old, older</p> <p>First, next, the, after, morning, dinner time, afternoon, bedtime</p>	<p>-Make a family tree.</p> <p>-Encourage the children to use the visual time table.</p> <p>-Draw a picture of who lives in their house, and who is in their extended family.</p> <p>-Bring photos of themselves as a baby to talk about what they couldn't do and what they can do now.</p> <p>-Ordering traditional story events</p> <p>-Role playing story events</p> <p>-Role playing family corner</p>

Progression Map: The World

	<p>Changes</p> <ul style="list-style-type: none"> • Skills • To notice a change e.g., that someone is wearing glasses or had a haircut. • Knowledge • To know that live things do not stay the same over time. <p>Events, people and place</p> <ul style="list-style-type: none"> • Skills • To be able to talk about historical figures they have learned about. • Knowledge • To know if something is old or new. • To know that something happened a long time ago. 		<p>-Talk about what they did at the weekend/yesterday/on their birthday.</p> <p>-Celebrate special events and talk about how they celebrate them and traditions they have.</p>
	Objectives	Vocabulary	Pedagogical Considerations
Reception	<p>Family Skills</p> <ul style="list-style-type: none"> • To talk about members of immediate family in more detail. • To talk about past and upcoming events with their immediate family. 	<p>First, next, then, after that, same, different, morning, afternoon, evening, yesterday, today,</p>	<p>-Say what they did yesterday, last night, this morning.</p> <p>-Say what they are going to do tomorrow.</p>

Progression Map: The World

	<ul style="list-style-type: none">• To sequence family members explaining who they are. <p><u>Knowledge</u></p> <ul style="list-style-type: none">• To know similarities and differences between people in their family. <p><u>Time</u></p> <p><u>Skills</u></p> <ul style="list-style-type: none">• To understand ordering language such as first, next after that, in the end.• To begin to narrate their daily routines and weekly activities.• To say what might happen on special days and sometimes remember what happened last year on that day. <p><u>Knowledge</u></p> <ul style="list-style-type: none">• To know there are seasons that repeat and go in order. <p><u>Changes</u></p> <p><u>Skills</u></p> <ul style="list-style-type: none">• To be able to say how something is different or the same.• To say what they can do now and what they couldn't do as a baby. <p><u>Knowledge</u></p>	tomorrow, before, after, changes. Past tense verbs. Days of the week. Names of the seasons. Names of baby animals. Egg, chick, chicken. Seed, seeding, plant.	-Use their visual timetable and talk about what they are doing. -Look at different toys and compare them- grandparents or great grandparents invited in to talk about their toys/school experience -Look at the seasons and identify what clothes they would wear at different times of the year. -Compare different buildings and what they are made of or what they look like. -Talk about birthdays, Christmas, Eid celebrations and traditions and what happens on that day (link to RE) Listen to the stories associated with these
--	---	---	--

Progression Map: The World

	<ul style="list-style-type: none"> To know the stages of human growth from a baby to an adult. <p>Events, people and place</p> <p>Skills</p> <ul style="list-style-type: none"> To compare and contrast characters from stories including figures from the past. To be able sequence stories and events. To talk about why they think something is from the past or present. <p>Knowledge</p> <p>To know is something is past or present.</p>		<p>celebrations and sequence the events.</p> <ul style="list-style-type: none"> -Talk and draw their favourite memory and explaining what happened -Sequence events of class book, trips and experiences. -Talk about books they have read and events that happened. -Learn about historical people. -Talk about how a plant has changed over time.
	Objectives		
End of EYFS	<ul style="list-style-type: none"> Talk about the lives of the people around them and their roles in society. Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class. Understand the past through settings, characters and events encountered in books read in class and storytelling. 		
	Objectives		
Year 1 Expectation	<ul style="list-style-type: none"> Learn about a significant event that is prior to their life 		

	<ul style="list-style-type: none"> • Learn about an event beyond living memory (national level) • Changes within living memory • To learn about the lives about significant individuals (nationally) • Understand historical events, people and places in their own locality,

Scientific - Knowledge and Skills			
	• Objectives	Vocabulary	Pedagogical Considerations
Expectations from Nursery	<p>Skills</p> <ul style="list-style-type: none"> -To explore -To make observations -To comment and ask questions <p>Animals Knowledge</p> <ul style="list-style-type: none"> -To know some simple animal names. -To know simple body parts. -To know the purpose of some simple body parts <p>Plants Knowledge</p> <ul style="list-style-type: none"> -To know what a plant is <p>Materials Knowledge</p>	<p>Animals</p> <p>Animal names that they are likely to see- cat, dog, mouse, butterfly</p> <p>Plants</p> <p>Grow, soil, taller, egg, chick, chicken, caterpillar, cocoon, butterfly</p> <p>Materials</p> <p>Melt, float, hard, soft,</p> <p>Seasonal Change</p>	<p>Animals</p> <p>Help children to care for animals and take part in first-hand explorations such as caterpillars or chick eggs.</p> <p>Plan and introduce new vocabulary related to why we care for living things.</p> <p>Plants</p> <p>Plant seeds and bulbs so children can</p>

Progression Map: The World

	<p>-To know some different types of materials</p> <p><u>Seasonal change</u> <u>Knowledge</u></p> <p>-To know that the weather can change</p>	<p>Rain, cloud, sun, snow, wind, darker, lighter, hot, cold.</p>	<p>observe changes over time.</p> <p>Materials Provide children with opportunities to change materials from one state to another e.g. cooking and melting. Explore how different materials sink and float. Explore how you can shine light through some materials, but not others. Shadows Plan and introduce new vocabulary related to the exploration Observe when water pushes up when trying to push a plastic boat, stretch elastic, snap a twig</p>
--	--	--	--

Progression Map: The World

			<p>but can't bend a metal rod, magnetic attraction and repulsion</p> <p>Seasonal change Going outside and looking at the seasonal changes throughout the year.</p>
	Objectives	Vocabulary	Pedagogical Considerations
Reception	<p>Skills</p> <ul style="list-style-type: none"> -To name and describe -To find the similarities and differences in living things, materials and the natural world. -To comment and ask appropriate questions -To use senses to explore the world around them -To talk about changes -To use simple equipment for different types of enquiries and to communicate the data/findings 	<p>Animals</p> <p>Animal names of a wider range of animals such as cat, dog, bird, crocodile, elephant, cow.</p> <p>Meat, vegetable, food, grass, leaves, other animals (</p> <p>Head, neck, shoulders, arms, hands, back, stomach, hips, legs,</p>	<p>Animals</p> <p>Listen to children describing and commenting on things they have seen whilst outside, including animals.</p> <p>Plants</p> <p>Listen to children describing and commenting on things they have</p>

Progression Map: The World

	<p><u>Animals</u> <u>Knowledge</u> -To know basic facts about some common animals -To know the names of some body parts -To know multiple purposes for simple body parts.</p> <p><u>Plants</u> <u>Knowledge</u> -To know some plant names. -To know why we care for plants -To know the basic features of a plant -To know that some food can come from plants</p> <p><u>Materials</u> <u>Knowledge</u> -To know that materials serve different purposes. -To know different types of materials</p> <p><u>Seasonal change</u> <u>Knowledge</u> -To know the different types of weather -To know the 4 seasons</p>	<p>knees, feet, toes, fingers.</p> <p>Plants Root, stem, leaf, flower, petal, sun, water, (soil)</p> <p>Materials Plastic, wood, metal, glass, paper, rock</p> <p>Seasonal Change winter, autumn, summer, spring, cold, warm, hot, sun, cloud, rain, thunder, lightning, frost, snow, dark, light</p>	<p>seen whilst outside, including plants.</p> <p>Materials Model the vocabulary needed to name specific features of the natural world, both natural and man-made. Opportunities to observe things such as ice melting, a sound causing vibration, light travelling through transparent material, an object casting a shadow, a magnet attracting an object and a boat floating on water.</p> <p>Seasonal change Note and record the weather</p>
--	---	--	---

Progression Map: The World

			Share texts related to seasons Take children outside to observe how the seasons change Opportunities for weather and season play
	Objectives		
End of EYFS	<p>Animals Explore the natural world around them, making observations and drawing pictures of animals Body parts in relation to themselves Explore the different senses and explore the functions Look at different diets e.g. plant, meat or both.</p> <p>Plants Explore the natural world around them, making observations and drawing pictures of plants. Explore the plant cycle.</p> <p>Materials Explore a range of materials Taking part in experiments to investigate changes of state, such as freezing.</p>		

	<p>Seasonal change Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class. Understand some important processes and changes in the natural world around them, including the seasons.</p>
	<p style="text-align: center;">Objectives</p>
<p>Year 1 Expectation</p>	<p>Animals Identify and name common animals including fish, amphibians, birds, mammals, reptiles (shark, frog etc) Name common animals that are carnivores, omnivores and herbivores. Name, draw and label basic parts of the human body. What part is attributed to what sense e.g. nose is for smell. Describe and compare the structure of common animals e.g. reptiles don't have wings, birds have beaks</p> <p>Plants Describe the basic structure of a common flowering plant- stem, flower, leaf, root, branch. Identify and name common plants such as evergreen trees.</p> <p>Materials Being able to tell the difference between an object and a material e.g. saucepan is metal. Name everyday materials- wood, metal, glass, paper, rock, plastic Describe simple characteristics of materials Group materials by their properties</p>

	<p>Seasonal change Seasonal changes- identify what happens in each of the seasons. Observing weather and how it changes</p>
--	--

People, Culture and Communities - Knowledge and Skills			
	Objectives	Vocabulary	Pedagogical Considerations
Expectations from Nursery	<p>Skills To notice and talk about similarities and differences between people. To begin to talk about and share their experiences of cultural, religious and community events. To be able to say each other's names using the correct pronunciation.</p> <p>Knowledge To know who is in my family. To know that there are different types of families. To know there are different communities. To know some occupations (police, doctor, firefighter)</p>	<p>Similarities Differences Family Community Country celebrations</p>	<p>To draw a picture of themselves using the current colours for their eyes, hair, skin colour. To draw family/friends with different hair, eye, skin colours. To talk/draw pictures of their family. To observe different types of families in books they read/ pictures they see/they observe.</p>

Progression Map: The World

			<p>To know they belong to a school community.</p> <p>To talk about other communities, they belong to.</p> <p>Talk about/draw events the children have been involved in.</p> <p>Celebrate different events throughout the year (birthday, Christmas, Eid, Chinese New Year etc.)</p> <p>Play games where the children have to say names.</p> <p>People who help us.</p>
	Objectives	Vocabulary	Pedagogical Considerations
Reception	<p>Skills</p> <p>To observe their environment and talk about what they can see.</p>	<p>Environment</p> <p>Non-fiction</p> <p>Similarities</p> <p>Differences</p>	<p>Draw a picture of their house, school or</p>

Progression Map: The World

	<p>To begin to notice and talk about differences and similarities between their own culture and others.</p> <p>To name special events and celebrations from different beliefs and cultures.</p> <p>To begin to notice and talk about differences and similarities between different cultures.</p> <p>Knowledge</p> <p>To know where they live (school, town, county)</p> <p>To know what their own religion is.</p> <p>To know that some places are special to members of the community (places of worship)</p> <p>To know and talk about similarities and differences between life in this country and life in other countries.</p> <p>To know about different occupations and what they do.</p>	<p>Religion Country Community Worship Mosque Church Gudwara Temple</p>	<p>places in their local area.</p> <p>Draw/talk about their own culture.</p> <p>Places of worship, clothing, family picture, special occasions and events.</p> <p>Look at books or watch videos with people of different cultures, talk about how they are similar/different.</p> <p>Dressing up clothes/home corner with items from different cultures.</p> <p>Food tasting. Foods from other cultures.</p> <p>Recognise places that are special (places of worship) what happens there.</p> <p>Images, text, videos of different countries, people, clothing,</p>

Progression Map: The World

			music, weather, lifestyles and jobs. People who help us - what do they do?
	Objectives		
End of EYFS	<ul style="list-style-type: none"> Describe their immediate environment, using knowledge from observation, discussion, stories, non-fiction texts and maps. Know similarities and differences between religious and cultural communities in this country, drawing on their own experiences and what has been read in class. Explain some similarities and differences between this life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps 		
	Objectives		
Year 1 Expectation	N/A		

Technology - Knowledge and Skills			
	Objectives	Vocabulary	Pedagogical Considerations
Expectations from Nursery	<u>Skills</u> <ul style="list-style-type: none"> To play simple games on the interactive whiteboard by pressing buttons. To mark make on paint software on the interactive whiteboard. 	Computer, mouse, iPad, laptop, phone, internet, username, password, type, swipe e-safety. Stop, pause, play	Know about acceptable use: Use bee-bots to explore moving objects for a purpose.

Progression Map: The World

	<ul style="list-style-type: none"> - To be able to take a photograph on a camera or iPad. - To be able to use the play, rewind, stop and pause button on a CD player, karaoke machine, iPad or speaker when playing music. - To make a bee-bot move. - To recognise a selection of digital devices. - To handle equipment responsibly with a level of care. <p>Knowledge</p> <ul style="list-style-type: none"> -To be able to name different types of technology that they have experienced or seen people around them use before (e.g., Computer, phone, tablet, laptop etc). -To know how to switch something on or off. 	Buttons, photograph, camera, volume, exit, on, off, power, battery,	<p>Know how to work equipment: turn on, swipe iPad, move a mouse, press a button on a keyboard.</p> <p>Explore using cameras on iPad to film and take photographs.</p> <p>Recognise and name different types of technology in the environment and at home.</p> <p>Use CD players, iPad or speakers to play music.</p>
	Objectives	Vocabulary	Pedagogical Considerations
Reception	<p>Skills</p> <ul style="list-style-type: none"> -To use a simple computer programme with increasing control. 	Online, internet, safe, e-safety, laptop,	Use technology to complete simple programmes.

Progression Map: The World

	<p>. To be able to talk about the different purposes of some technology and how it helps us in our daily lives.</p> <p>. To take part in simple programming activities with age-appropriate equipment eg. bee-bots.</p> <p>-To use various tools on Paint such as brushes, pens, erasers, fill, stamps and shapes.</p> <p>To be able to choose the best device / equipment for a task (e.g., camera, iPad or phone to take a picture)</p> <p>-To record a video on an iPad or camera.</p> <p>-To be able to type simple words or other familiar phrases using a keyboard.</p> <p>-To direct a mouse, recognising the relationship between it and its position on the screen.</p> <p>-To independently change games or increase levels of difficulty.</p> <p>-To be able to say that a device is a piece of equipment</p> <p>Knowledge</p> <p>-To know information can be retrieved from computers and other forms of technology</p>	<p>computer, iPad, phone, tablet, app, button, swipe, click, keyboard, monitor, power, exit, mouse, username, password, log on/off, record, play, bee-bots, forward, turn, backwards, direction, google, search engine, function, calculate, calculator, blog, tweet, share, save, website, enter</p>	<p>Use search engines to find out information during class discussions.</p> <p>Follow simple instructions/create simple instructions using bee-bots.</p> <p>Explore paint, SMART, PowerPoint and begin to use its 'pen' features.</p> <p>Discussions around e-safety through circle time/PSHE curriculum.</p> <p>Opportunities to use a camera/other technology for purpose e.g., taking a photo of their own work.</p>
--	--	---	---

	<ul style="list-style-type: none"> -To know the purposes of some technological features (e.g., Keyboard, monitor, camera, power button, apps etc) -To know what personal information is and that it shouldn't be shared on line. -To know about acceptable use, to ask permission before using www. -To know that information can be public or private. 		
	Objectives		
End of EYFS	<ul style="list-style-type: none"> To recognise that we can retrieve information from different technology sources. To begin to understand how to stay safe when online. To be able to use simple computer programmes with more control. To use the simple functions e.g., taking a photograph, stopping and starting a video and working out how to play a game. To access content in a range of formats e.g., image, video, audio. 		
	Objectives		
Year 1 Expectation	<ul style="list-style-type: none"> To recognise common uses of information technology beyond school To use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies. Select a digital device to fulfil a task. Save and open files. Combine media with support to present information. E.g., text and picture. To understand what algorithms are and how they are implemented as programs on digital devices 		

Progression Map: The World

	<p>To create and debug simple programs</p> <p>To start to use some logical reasoning to predict behaviour of simple programs</p> <p>Understand that many devices have computers in.</p> <p>Be able to describe what a computer is.</p>
--	--
